

Reading Circles/Book Clubs K-5

Register Now!!!! Space is limited.

How it works

Mini-IMANI reading circles are child-driven book clubs for kids in grades K-5. Books are loaned at each session. Children return the books two weeks later and come prepared to discuss the book with their peers.

Roles—such as summarizer, word wizard, questioner, and illustrator—are given out in advance to help facilitate the session.

Teachers and volunteers help guide the discussions. Fun activities, read-alouds, exhibits, author visits and celebrations complement the program.
