

Mini-IMANI Reading Circles/Book Clubs K-5

Register Now!!!! Space is limited.

How it works:

Mini-IMANI reading circles are child-driven book clubs for kids in grades K-5. Books are loaned at each session. Children return the books 2 weeks later and come prepared to discuss the book with their peers.

Roles such as summarizer, word wizard, questioner and illustrator are given out in advance to help facilitate the session.

Teachers and volunteers help guide the discussions. Fun activities, read-alouds, exhibits, author visits and celebrations complement.
